The client(s) listed above is contracting for entertainment services from Big Flash Foto Booth (also known as BFF), owned by Mercedes & Tim Borges. For this contracted event, the client(s) agrees along with BFF to the following. **Payment in full must be made 30 days prior to the event date. Should the client terminate this agreement prior to 60 days all deposit monies will be returned.**

Client agrees to provide a dedicated 20 Amp receptacle within 50 feet of the agreed set up area for our use at the contracted event. Please make arrangements with us if you need a site check to access electrical availability. Also, if your event has no electrical access, we can provide generator power at an additional cost. These arrangements must be made well in advance of the event and agreed upon by the event location contractor. When renting the hard-shell booth, a reasonable access area of level ground must be available. Due to the weight the hard-shell booth, we are unable to transport it up any flights of stairs or steep incline. The client must provide shelter from the elements if an outdoor venue is used. BFF requires a 2 (two) hour minimum set up time prior to contracted start time with access to the event location for that time.

**Client and/or responsible party agree to be at the event for the duration of service. Client is responsible for behavior of guests and damage by guests to BFF equipment.** BFF is not responsible for the behavior of client's guests regarding any social media posting. BFF is required to comply with reasonable instructions from authorized representatives of your venue and any law enforcement agent. Any permits required for this event are the sole responsibility of the client. If the event ends prior to the contracted time, the client is responsible for full contracted payment.
